English Conversation Practice Groups at Harvard Neighbors offer informal conversation opportunities with other English language learners in small groups led by native English speakers. The program is open to individuals and/or their spouses with the following Harvard affiliations: visiting faculty, fellows, scholars; postdoctoral/research fellows; staff.

Please note: each participant may attend only one group. Pre-registration is required and participants must briefly interview with a group leader before attending the first session.

You may pre-register:

1. by emailing or calling the Harvard Neighbors administrator (contact information below)
