For your weekend

Celebrate Thanksgiving in Plymouth, ‘America’s hometown’!

Make a pilgrimage to Plymouth this Thanksgiving season, where the holiday originated and where Plymouth Rock resides. A three-day celebration Nov. 17-19 will include a concert series, food festival, harvest market, and a historic village set up in Brewster Gardens and manned by living historians depicting scenes from centuries past. America’s Hometown Thanksgiving Parade, a highlight, is always full of colorful floats and military marching units, and offers a chronological look at America’s heritage from the 17th to the 21st centuries. Bulb Planting Workshop

On Wednesday, October 25 Harvard Neighbors hosted the first Bulb Planting Workshop! Event was led by Monica Hexner, a longtime member, Membership Committee and Out and About Group Leader. All spots were booked fast and attendees really enjoyed plating their own tulip bulbs! Due to the big interest of the workshop we plan to repeat it next fall!
